Remembering and Reflecting: Honoring Sacrifice and Seeking Peace

This morning our Grade Five class led the school's Remembrance Day assembly in the gym at 9:30AM. The students in grades five through eight walked over to the local cenotaph to commemorate the day with the Listowel community. Remembrance Day is a time when the Listowel Christian School joins our community in reflecting on the sacrifices made by countless men and women who served in the pursuit of peace and freedom. As we pause to honour their courage and dedication, we also take time to reflect on our role in continuing their work—being justice seekers and peacemakers in our own communities.

In the spirit of Remembrance Day, we challenge our students and families to embody the values of justice and peace every day. Just as we remember those who have fought for a better world, let us commit to building a world where kindness, fairness, and reconciliation guide our actions. Together, we can create a lasting legacy of peace that honours the sacrifices of the past and shapes a brighter future for all.

Let this day of remembrance inspire us to be instruments of justice, agents of peace, and people of hope in our world.

Conferences

Parent/Teacher Conferences are a valuable time for teachers and parents to connect with each other. We know that daycare can be challenging but we ask that you please do not bring children to these conferences as it makes it challenging to focus and chat about the growth of your student. We look forward to meeting with you.

As a result, we have decided to reschedule our program for **December 17th at 1pm & 7pm**. We apologize for any inconvenience this may cause.

ANNOUNCEMENTS

LIRBRARY ANNOUNCEMENT

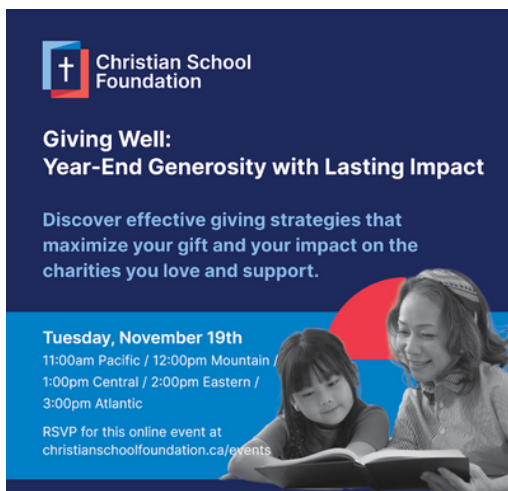

Since the beginning of school we have, almost weekly, been seeing books being returned wet. Even a small amount of water can cause the pages to become misshapen, stick together and words or pictures to become distorted or unreadable. As a result we are having to remove these books from the library. When your child returns a book that is wet, you will be asked to pay for it to be replaced. Every class was reminded at the beginning of the year about the damage that leaking water bottles, rain, and snow can do to books. If your child uses a water bottle, please look for ways to help your child get their books home and back to school dry and undamaged.

Thank you.

The Cat in the Hat can balance that. What about you and your team? Can you balance one, three, or sixteen boxes on your feet? That would be kind of neat!

Team Event: Nov. 22
 Balance as many boxes on your team leader and friends as you can!

This week we will observe Remembrance Day on Monday by attending an assembly at 9:30am and by making poppies.

We will be reading Pete the Cat and the Perfect Pizza Party and we will be having pizza for lunch on Thursday. Please let me know how many slices of pepperoni pizza your child needs for lunch. We are ordering pizza from Dominos.

We will be learning the short vowel sound of the letter "i" as in igloo, ink, itch etc.

We will be reviewing the **heart words** we have learned already this year: **the, I, and**. Heart words are words that do not sound out so you need to learn them by heart.

In **Bible**, we will finish the unit with Jacob's return to his family. Our memory verse is **Micah 6:8**.

Grade 6 & 7 - Mrs. O'Boyle:

Last Week's Weekly Highlights -

- 1. Testing Loop Planes:** In our STEM lesson, we dove into testing loop planes. The goal behind this activity was to help students understand the principles of aerodynamics and engineering through hands-on learning. By creating and testing their own loop planes, the students got to explore the design process, test their theories, and adjust their models to see how small changes could improve flight performance. It was a great exercise in problem-solving and teamwork!
- 2. Underground Spirit Staff Week Fun:** This past week the staff participated in a series of quirky and fun events. Teachers showed up in a variety of wacky outfits with puzzling accessories—from sipping out of strange “cups” to dressing monochromatically, sporting slippers, to going all out as our favourite holidays, to being lumberjacks with mismatched shoes! The students were thoroughly puzzled but also had a blast trying to figure out what was going on. It was a fun, community-building experience that allowed everyone to connect through laughter and curiosity.
- 3. Remembrance Day Posters:** In honor of Remembrance Day, the students worked on posters for the Legion's competition. They put their creativity to work, creating meaningful artwork that reflects the significance of Remembrance Day and the importance of honouring our veterans. It was a wonderful opportunity for the students to reflect on the sacrifices made by others while expressing their own thoughts and gratitude through art.
